Objective

Enthusiastic and self-motivated Java Developer Intern with hands-on experience in Spring Boot, SQL, and building real-world full-stack web applications. Passionate about backend development, writing clean code, and solving technical problems. Seeking an internship opportunity to contribute to innovative projects and gain practical industry exposure in Java-based technologies.

Education

2022 – 2026
Indus University   BTech in Computer Science (4th Year, 7th Sem)
                                              CGPA: 9.68 / 10

2021 – 2022
Higher Secondary (Class XII), Gujarat Board   Scored: 75%
                                              Science Stream (Physics, Chemistry, Mathematics)

2019 – 2020
Secondary School (Class X), Gujarat Board   Scored: 73%

Skills

◗ **Technical Skills:** Java (Core & OOP Concepts), Spring Boot, Spring Framework, MySQL, SQL (queries, joins, indexes), RESTful APIs, Git & GitHub, HTML, CSS, Basic JavaScript, Maven, Gradle, and IDEs such as IntelliJ IDEA, Eclipse, and VS Code.

◗ **Soft Skills:** Problem-solving, team collaboration, effective communication, understanding of Agile methodology, and the ability to learn quickly and adapt to new technologies.

Certificates & Online Courses

Java Programming Course – ScholarHat,2024
 Completed an 8-week intensive course focusing on Core Java Programming and Object-Oriented Concepts
 ◗ Topics Covered: Java Basics, OOP (Classes, Objects, Inheritance, Polymorphism), Exception Handling, File I/O, Collections Framework
 ◗ Gained hands-on experience with real-world Java applications and problem-solving

Academic Projects

Contact Management System

Tech Stack: Java, Spring Boot, Hibernate, JSP/Servlet, MySQL, HTML/CSS, Bootstrap

I have built a full-stack Contact Book Management System using Spring Boot and JSP, which includes dynamic user dashboards, contact CRUD operations, image/file upload, pagination, and AJAX search features. It demonstrates my practical understanding of MVC architecture, REST principles, and database relationships.

Languages Known & Interests

Good command of Hindi and English. Interested in coding and enjoy reading books.

Summary

Aspiring Java Developer Intern with hands-on experience in building full-stack web apps using **Spring Boot, MySQL, Git**, and strong grip on **OOP & SQL**. Passionate about solving real-world problems, collaborating in agile teams, and growing in **backend & full-stack development**.
